

Access to Météopole/Météo-France

By car

- From the **Paris-Bordeaux hyw**, follow the direction **Foix-Tarbes**, you are on the beltway. Take **Exit 27 : La Cépière**. follow the direction of **Cugnaux**, then **les Pradettes**, and **Météo-Cerfacs**.

- From the **Montpellier-Carcassonne hyw**, follow the direction **aéroport Blagnac**, remaining on the beltway. Take **Exit 27 : La Cépière-Cugnaux-Les Pradettes**.

- From the **airport**, the direction of **Auch**, then the beltway **Arc-En-Ciel** the direction of **Lardenne-Cugnaux-Tournefeuille**, and exit at **Parc d'Activités Basso Cambo**. Météopole is indicated from that exit.

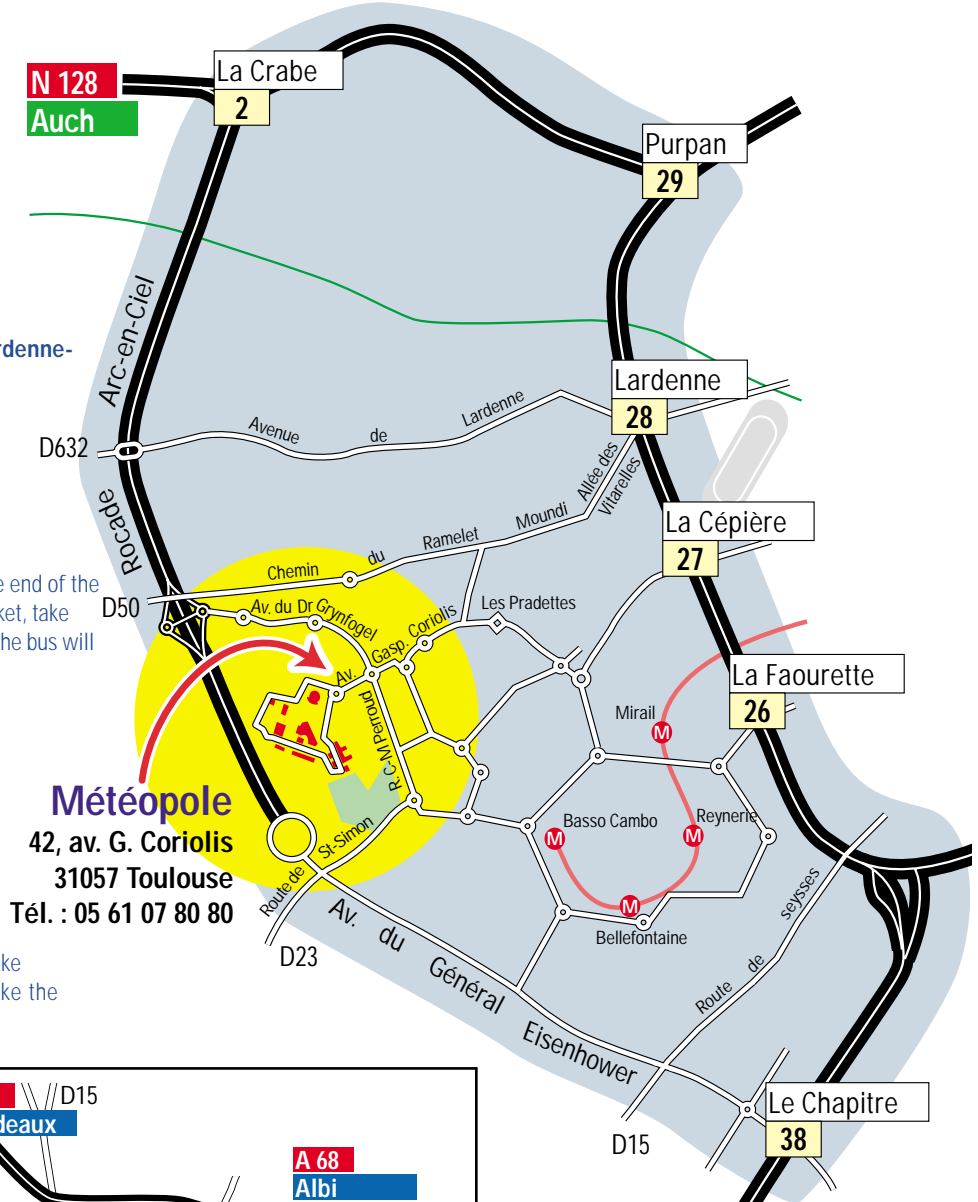

By train

Take the metro at **gare Matabiau station** until the end of the line at **Basso Cambo station**, then with the same ticket, take the **bus n° 8** in the direction of **Lycée Polyvalent**. The bus will stop in front Météo-France. The route takes about 30 minutes.

By plane

- The fastest way is the taxi which will bring you there in about 10 minutes.

- Shuttle bus between aéroport/downtown leaves every 20 minutes. Get out of the bus at the bus-stop **gare Matabiau** or at bus-stop **Jean-Jaurès**, then take the métro in the direction **Basso Cambo**, then take the **bus n° 8** (as above).
