

Workshop sur la géométrie et la topologie des mots et des langages

21-22 juin, Institut de Mathématiques de Toulouse

Talk Schedule

Thursday, June 21

9h : Welcome & reception

9h30 : Svetlana Puzynina, Saint Petersburg State University, Russia

On a group theoretic generalization of the Morse-Hedlund theorem

10h30 : Coffee break & refreshments

10h45 : Sylvain Salvati, Université de Lille

Topology and word combinatorics

11h45 : Lunch

14h : Guillaume Bonfante, LORIA, Université de Lorraine, Nancy

Termination problems in graph rewriting

15h : Mathieu Sablik, Institut de Mathématiques de Toulouse

To be announced

16h : Coffee break & refreshments

16h15 : Thomas Fernique, Université de Paris 13

To be announced

19h30 : Dinner at the Restaurant "Le Sabra"

Friday, June 22

9h : Coffee

9h15 : Florian Deloup, Institut de Mathématiques, Toulouse

Topological Star Height

10h15 : Coffee Break & Refreshments

10h30 : Thierry Monteil, Université de Paris 13

To be announced

11h30 : Conclusion of the workshop
